\*"We can't thank you enough for making it possible for us to own a home after our recent financial crisis...We thought we'd have to rent forever until we met you. Thanks to your extremely flexible and very fair terms we were able to move into our new home in less than 4 months... I've never had such a simple and pleasant buying experience." *Bill and Suzanne*

\*"Thanks to you and your company we were able to buy a house now and get settled in and settle down instead of having to rent again...Your simple, straightforward and flexible buying plan is wonderful. You make it possible for people to buy houses that normally could not. You are honest and friendly..." *Steve and Sarah*

"If not for your rent credit/credit repair program through the Partnership you have with the LOCAL law firm, we would still be throwing money away, month after month, on rent, with out working toward home ownership... Your program is perfect for people who, for whatever reason, want to own a home but can't get a mortgage right away." *Jack and Barb*

"...thank you for everything you did to get us in a house. We never thought it would happen so soon. This is something we have been hoping, dreaming and praying about. Thank you for making it all come true. We are so excited and anxious to move! It will be so great for our boys, a place for them to running around and be free... can't thank you enough!" *The Peterson family*

Well, it has been 7 weeks since we closed...we wanted to stop long enough to write you a thank you letter and express our sincere appreciation for everything you've done. There is no doubt in our mind if it wasn't for you ... we wouldn't be living in Minnesota today. To be honest, at first I was skeptical of you...I never knew a company like yours existed, but I was wrong about you and your company. Not only did you allow us to pick out our own house and buy it for us at a fair price, but you kept your word on everything you said you would do. We have learned to trust you for the person you are and would highly recommend you... thanks again for giving us a new start." *Richard and Mary*
