MHBAP (MM) Lead Generation

DISCLAIMER

Agreed between Minnesota Home Buyer Assistance Program, LLC., hereinafter referred to as MHBAP and myself, a Marketing Mobster, hereinafter referred to as "MM". I am presenting my personal information below to become a registered participant, (subject to final approval of MHBAP) of the MHBAP marketing campaign which allows me to submit the names of potential Buyers, as part of MHBAP's ongoing lead generating process. I'm agreeing to promote MHBAP in a legal and ethical manner to potential Buyers who might purchase a home. I will NOT discuss the Program in any way, but instead I will direct such Buyers to call MHBAP's phone or visit their website. I am in NO way employed by nor have any relationship to MHBAP, other than to provide them leads, which they may use however they see fit. Although encouraged to submit all leads for my own protection, MHBAP does not have the authority to force me to do so. I understand that all leads MUST be registered in advance. MHBAP insists on obtaining the source of EVERY lead acquired from the very first contact with such potential Buyer, so marketing efforts can be carefully tracked. Should I fail to timely register a lead and that lead purchases a home through the MHBAP Program, no lead fee shall be due nor paid. MM also understands that MHBAP does ongoing massive marketing through various types of media and parties. ALL Buyer leads are taken on a "first registered, first captured" basis, thus there is a SLIGHT possibility that a submitted lead might already be registered through another source. MHBAP will pay only ONE lead fee per Buyer(s). It is MHBAP's intention to pay as many and all lead fees as possible since our organization makes a profit from every home we buy. I further understand I will be issued an IRS form 1099, in the amount of \$1000 per qualified lead that MHBAP purchases from me at the end of any calendar year, within the allotted timeframe to issue such. I alone am responsible to give MHBAP an updated mailing address as that information changes. It is my sole responsibility to report such income to the IRS. I agree to the above terms and conditions, with my name enclosed and this shall serve as my electronic/handwritten signature by entering my initials and clicking the submit button below.
